**Please join us for this celebratory event
at the New Mexico Capital!**

The annual **New Mexico Food & Farms Day Awards** celebrate our life together in community as we recognize the achievements of leaders around the state who contribute to the extraordinary vibrancy of local food, farming, culture, and tradition in New Mexico.

The Awards are intended to ignite a statewide passion around local food that ultimately creates change in thinking, systems, and approaches to food production, use, distribution, and policy.

Awardees will be honored on **New Mexico Food & Farms Day on January 26, 2023**. A special highlight of this year's Awards is the **Visionary New Mexico Award** which will be given to the **Office of Governor Michelle Lujan Grisham** for extraordinary leadership in creating the **New Mexico Food Initiative**, a 24.7 million dollar statewide program supporting food systems, hunger relief, and farming in New Mexico.

Legislative Sponsors for Food & Farms Day are Senators Pete Campos and Liz Stefanics and Representative Joanne Ferrary.

There is no cost to attend Food & Farms Day at the Capital. [Click here](#) for information about visiting the Capital. [Click here](#) for the press release.
